IFRACAT12	Products not intended for direct skin contact, minimal or insignifiant transfert to skin	100,0000

(1) Please note this certificate does not include food status conformity check. A separate document, which may be available depending on the product, is needed for such purpose.

This certificate provides restrictions for use of the specified product based only on those materials restricted by IFRA Standards for the toxicity endpoint(s) described in each Standard. This certificate does not provide certification of a comprehensive safety assessment of all product constituents. It is the ultimate responsibility of our customer to ensure the safety of the final product (containing this compound) by further testing if need be.
